

Driver Recognition Program – Our Million Mile Club

This program is designed to publicly recognize and reward the safe driving achievements of our company drivers and owner operators. In order to be recognized for the award the driver must be free of any accident where the driver is determined to be at fault and the damage to property and/or equipment totals \$1,000 or more during the period. The awards begin at 500,000 miles and progress in 500,000-mile increments thereafter. Drivers will receive a \$500.00 reward for every 500,000-mile increment that they hit.
